[Including cost estimate of the Congressional Budget Office]

PURPOSE OF THE BILL

The purpose of H.J. Res. 50 is to name the Channel Islands National Park visitor center located at Ventura Harbor in honor of Robert J. Lagomarsino.

BACKGROUND AND NEED

Robert J. Lagomarsino served as Congressman for the 19th District of California from 1974 until 1992. As a long-standing Member of the Resources Committee, he authored a number of measures which provided for enhanced environmental protection in the south central coastal district which he represented. One of his major pieces of legislation provided for the establishment of the Channel Islands National Park in 1980. After the park was established, he continued to work to secure the necessary funding and support to make his vision for this area a reality. Due in large part to Congressman Lagomarsino's effort, the terrestrial and aquatic habitats of one of the most unique natural areas in this country will be preserved for future generations of Americans to enjoy.

SECTION-BY-SECTION ANALYSIS

Section 1 provides for the designation of the National Park Service visitor center for Channel Islands National Park, which is located at Ventura Harbor, to be named the Robert J. Lagomarsino Visitor Center.

Section 2 specifies that any legal or other reference to the main visitor center at Channel Islands National Park shall be a reference to the Robert J. Lagomarsino Visitor Center.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Pursuant to clause 2(l)(3) of rule XI of the Rules of the House of Representatives and clause 2(b)(1) of rule X of the Rules of the House of Representatives, the Committee's oversight findings and recommendations are contained in the body of this report.

INFLATIONARY IMPACT STATEMENT

Pursuant to clause 2(l)(4) of rule XI of the Rules of the House of Representatives, the Committee estimates that the enactment of H.J. Res. 50 will have no significant inflationary impact on prices and costs in the operation of the national economy.

COST OF THE LEGISLATION

Clause 7(a) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out H.J. Res. 50. However, clause 7(d) of that Rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 403 of the Congressional Budget Act of 1974.

COMPLIANCE WITH HOUSE RULE XI

With respect to the requirement of clause 2(l)(3)(B) of rule XI of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, H.J. Res. 50 does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

With respect to the requirement of clause 2(l)(3)(D) of rule XI of the Rules of the House of Representatives, the Committee has received no report on oversight findings and recommendations from the Committee on Government Reform and Oversight on the subject of H.J. Res. 50.

With respect to the requirement of clause 2(l)(3)(C) of rule XI of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for H.J. Res. 50 from the Director of the Congressional Budget Office.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, January 24, 1995.

Hon. DON YOUNG,
Chairman, Committee on Resources, House of Representatives,
Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed H.J. Res. 50, a joint resolution to designate the visitors center at the Channel Islands National Park, California, as the "Robert J. Lagomarsino Visitors Center," as ordered reported by the House Committee on Resources on January 18, 1995. We estimate that enactment of this legislation would have no impact on the federal budget. H.J. Res. 50 would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

Enactment of this legislation would have no impact on the budgets of state or local governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Deborah Reis.

Sincerely,

ROBERT D. REISCHAUER, *Director.*

CHANGES IN EXISTING LAW

If enacted, H.J. Res. 50 would make no changes in existing law.

The Committee has received no departmental report on H.J. Res. 50.
